embrace surveys

ONLINE SURVEY TOOLS

You can be up and running with your first survey in only 5 or 10 minutes!

We guarantee that responses are **anonymous** which for staff satisfaction surveys enables your staff to be frank and honest in their feedback.

Staff also have the added security of knowing that the service is provided by a third party company.

FEATURES:

Ease of distribution

No paper to print or letters to send out.

Its cheaper

No cost of postage, printing or paper, or paying someone to summarise the results.

No need to summarise

the results or re-keying the responses into another system. This is automatic in Embrace.

Its fast

Implement your surveys in minutes rather than weeks and months.

Easy to Use

You really can learn how to use the system in 5 minutes.

Embrace is especially suitable for

staff satisfaction

and

customer feedback surveys
